The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of health research, where cultural differences can significantly impact the effectiveness of interventions.

The second part of the paper presents a review of the literature on cultural competence in health care. It examines the various models and frameworks that have been developed to address the needs of diverse populations. The review also identifies the challenges and barriers to implementing cultural competence in practice.

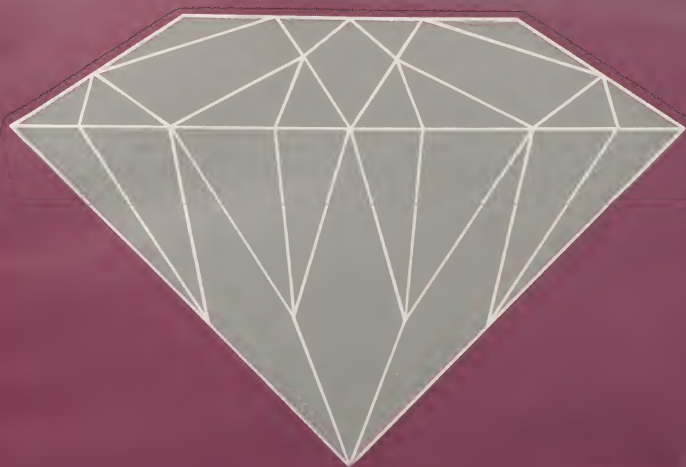

The third part of the paper describes the methodology used in the study. It details the selection of participants, the data collection methods, and the analysis techniques. The study was conducted in a community-based setting, and the participants were recruited through a variety of channels.

The fourth part of the paper presents the results of the study. It discusses the findings related to the cultural beliefs and practices of the participants. The results also highlight the importance of cultural competence in the design and implementation of health interventions.

The fifth part of the paper discusses the implications of the study for practice and policy. It suggests ways in which the findings can be used to improve the delivery of health care to diverse populations. The study also has implications for the development of cultural competence training for health care providers.

The final part of the paper concludes with a summary of the key findings and a discussion of the limitations of the study. It also suggests areas for future research. The study was limited by its focus on a specific community, and future research should explore the findings in other contexts.

KV Celebrates Diamond Jubilee

Once a road in time is traveled, it can never be re-traveled. It can never be erased from the log of one's life but can only be looked back upon and remembered.

Here are pieces of Kankakee Valley's journey into its 10th year, into the decade of the 1980's.

Suitably representing this jubilee

year is the diamond, a gem stone sparkling with many facets.

Look back now and reminisce through the 10th year of our life and recall the many facets of your year. Meet your friends again in clubs, classes, sports, and at those very special events as this precious year crystalizes in the pages of this book.

Opposite Left: Kankakee Valley High School. Opposite Lower Left: Junior and sophomore boys eat lunch in the cafeteria. Opposite Lower Right: Custodian Mr. Woods puts in many hours at KV's many and varied activities. Here he is seen at the Homecoming dance taking a break. Left: Heidi Harrison prepares her desk for a busy but rewarding day in art. Right: Junior girls show the lazy way to do the "kick". Lower Left: Scott Hilton, Scott Grevenstuk, Tom Walstra, and David Van Kepple fool around between class. Lower Right: Tommy Ballard loses concentration on his macrame project to look at another classmate.

Homecoming 1979

Homecoming, September 28, 1979, was climaxed by the football game between the Kougars and Winamac. Spirit was high throughout the preceding weeks as students decorated halls and lockers, chose princesses and queen candidates, built and decorated class floats, and joined in a rousing pep session.

The Homecoming game between the Kougars and Winamac appeared destined to be different from past years of football losses for the Kougars. The team had won the first two games of the season and had lost the next two by very narrow margins. Although the Kougars were plagued by injuries, hope was high and everyone's spirits were soaring for this could be the first Homecoming triumph in five years.

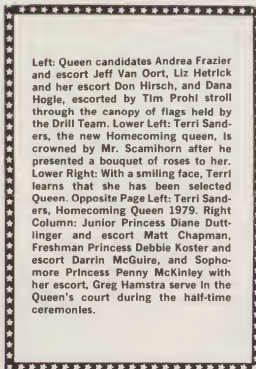

Excited Kankakee Valley fans encouraged the Kougars to play their best against their Winamac rival. A win could be revenge for past losses to this strong team. Kougars put up a good fight, but the final score was 33-6 in favor of the Warriors.

Were the Kougars and their fans discouraged by this bit of bad luck? "Of course not," they said. "We'll beat them next year."

Opposite Left: Junior Brian Morais watches intently from the sidelines after being benched for an injury. Right: Coach Tim Albert goes over the next defensive play with assistant coach, Dennis Metzger and line-backer Doug McKinley. Center: The Kugar mascot consoles half-back Bryan Leturgez after a play misfires. Bottom Left and this page: Cheerleaders Carmen Hunt and Kathy Lageveen keep the crowd fired up. Right: Assistant coach Jim Laurits discusses play tactics with Scott Helton. Center: Cheering the Kougars on are Tammy Oney, Susie Sipkema, Cara McKinney, and their mascot.

A Night For The Queen And Her Princesses

Princess candidates are chosen by the vote of fellow classmates who select one special girl to represent them in the Queen's Court. The winners are announced the week before Homecoming. The candidates then choose an escort from their class. The freshman princess was Debbie Koster, escorted by Darrin McGuire. The sophomore class chose Penny McKinley who was escorted by Greg Hamstra. Representing the junior class was Diane

Duttlinger who was escorted by Matt Chapman.

Four girls represented the senior class as Queen candidates. The winner is chosen by the football team and the announcement of the winner is made at half-time. Queen candidates and their senior escorts were Andrea Frazier and Jeff VanOort; Liz Hetrick and Don Hirsch; Dana Hogle and Tim Prohl; and Terri Sanders and Dave Grube.

As the drill team formed a canopy of flags, the band played each candidate's special song as she and her escort entered the field. Assistant Superintendent Wayne Ryska read personal data on each of the senior girls and then announced Terri Sanders as the 1979 Homecoming Queen. An elated Terri was crowned by Superintendent Paul Scamihorn.

Homecoming Brightners

Animated cartoons was the theme for the administration — sponsored float contest. Each class chose a favorite character on which to base the theme of their float.

The senior float made use of Popeye and his great strength. Fred Bolssy played Popeye in a boat-shaped float that displayed the slogan, Our Kougars Ate Their Spinach!

To the dismay of the juniors, their float, decorated with red, white, and black, and

carrying the slogan, Go For It!, never made it onto the field for competition. This caused the unfortunate juniors to come in in last place.

The winning float was designed and decorated by the freshmen. A pastel rainbow in blues, greens, and pinks carried out the theme. They also used classmates to adorn the float.

Mickey Mouse and Company was the ba-

sis of the second place sophomore float. Participating classmates wore Mickey Mouse costumes and walked beside the float as it paraded around the field.

The Marching Kougars and Drill Team provided music and routines during the float competition. They remained on the field for the announcement of the Queen and her court, playing special music chosen by the individual candidates.

Left: Twirler Carrie Hittle waits for her baton to come down. Right: Drill team member Kalli Buckley waves her flag while preparing for the next step of the routine. Center: Drill Team color guards Virlynn Barker, Carleen Beck and J.J. Herishman stand at attention for the pledge to the flag. Lower left: The other member of the twirling team, Jennifer Odle, kicks high in a baton-dance routine. Linda Kingma and Tim Rossmannith proudly play "The Star Spangled Banner" to the Homecoming crowd.

Juniors Knock Out Seniors 14-6

What's an annual sporting event at Homecoming that isn't the game on Friday night? It's the Girls' Powder Puff Football game!

Senior girls, under the guidance of Coach Rodney Sanders, spent two weeks preparing for their spar against the junior girls. Seniors had special reasons for wanting to defeat the juniors. They had lost to the mighty Seniors of '79 when they were juniors. This would be the game for reprisal and the joy of victory!

For almost three weeks the juniors were learning, practicing and memorizing the offensive and defensive strategies taught to them by coaches Ron Hummel and Mike Hendon.

The game was September 27, a Thursday, instead of the traditional Wednesday as church night had been moved to Wednesdays. During the school day, rivalry became apparent as each class tried to outdo the other in terms of who could scream the loudest and boast the longest on their chances of

winning.

The game finally started with Mr. Alberts, Mr. Metzger, and Mr. Prochno officiating. Although the senior girls tried their best, they just couldn't match the juniors' expertise on the field. They reluctantly conceded the game to the juniors by a score of 14-6.

Opposite Page Left: Junior center Linda Kingma hikes the ball to quarterback Janet Holseth as the senior defensive line waits for the play to begin. Opposite Page Right: Dawn Vander Molen, senior back, tries to twist out of the reach of junior Sandy Ganzeveld. Opposite page, Lower left: Senior nose-guard Becky Long misses the tag on junior carrier Lynn Scott. Opposite lower right: Junior cheerleaders, Mike Schaefer, Bruce Williamson, Kevin Lacey, and Dick Manns, even though clowning around, help cheer the girls on to victory. This page left: Kim Pardus poses with senior cheerleader Jeff Van Oort after receiving a good luck hug. Right: The "Quarterback sneak" being executed by Denise Seegers gains little yardage for senior offense. Lower Right: Crystal Nannenga makes a fast dash past the senior defensive line. Lower Left: Mr. Metzger lends an encouraging hand to Andrea Jones, senior quarterback, while Coach Sanders examines her knee. Andrea's knee was broken in the third play of the game.

What A Way To End The Summer!

You're in the wrong line!
I've got three study halls!
Do you have a pencil?

Lines and more lines and tables and more tables! Check the schedule, pick up the enrollment card, pay the dues and fees, get a parking sticker, buy the yearbook, get a picture taken.

What class do you have second hour?

Let's share a locker.
What a great tan!

Students didn't seem to mind the long lines or the long waits or the amount of money being spent. They were happy to see old friends, happy to catch up on the latest gossip, and happy (secretly) to be coming back to school.

Only the harried parents were minding the lines and long waits. Only they knew that at the end of the final line when every form had been completed, every detail attended to, their checking accounts would be much, much lighter.

Opposite page left: Sophomore Rick Reeves learns the art of falling from Bonkers the Clown. Right: Mr. Post distributes parking information at registration. Middle: Completing registration forms are juniors Dale Swart and Walt Jungels. Bottom left: Smiling for a school mug shot is junior Rick Wetzel. Bottom right: Principal Leturgez answers question at registration. This page left: Junior Kim Jefferson is photographed by the Roots photographer. Right: Juniors Cathy Boia and Jennifer Synko and seniors Norma Obara and Cindy McKinney participate in the balloon blowup on the Science Field Trip Day. Bottom left: Freshman Chris Pieper and Kelly Sherrett wait for the "All Clear" after a fire drill. Middle: Jim Pajon watches as Devin Mudd completes a schedule card. Right: Junior Bev Hetrick waits in one of the many lines at registration.

KV's Solution To Dance Fever

Kankakee Valley students, like their counterparts across the nation, danced their way into the '80's to the throbbing beat of disco. But individualism in executing the steps and rhythm was apparent as the students adjusted the tempo to fit their own particular style.

The Homecoming dance is the first big casual dance of the season, and the

year culminates with the traditional Junior — Senior Prom, a formal affair.

But between those two dances and the marking of the beginning and end of the school year, students have many opportunities to let themselves go on the dance floor.

Opposite left: Disc jockey Walter Hobda spins the records for the dance following the basketball game with South Newton. Bottom left, Tom Walstra and Stephanie Klapp show off their dancing styles at the Homecoming dance. Right, Enjoying the style of Donny Myers' Kustom Deluxe band is this group of freshmen boys. FRESHMEN Show Spirit

Freshmen had very few problems coming to KVHS for the 1979-80 school year. They didn't have to worry about getting lost, not being able to find their classrooms, or the teachers being unfamiliar because they had already spent their 7th and half of their 8th grade years in the high school before moving to the Middle School.

The freshmen started the year with a spirit which lasted them to the end. This spirit had them winning most of the competition between classes, and they came out on top by having the most overall total percentage spirit points.

In 1970 during the time this school was in its first year, the students who were freshmen now were then in kindergarten. They have come a long way during the past ten years and have grown both physically and mentally.

SOPHOMORES

Study, Socialize

Sophomores have much to look forward to both socially and academically. They have started to think about college and to prepare themselves for life after graduation.

Socially, most of them are just turning 16, the time when they get their drivers' licenses and the time when most are dating. This enables them to participate more fully in school activities.

Working together as a class, the sophomores spent many hours after school during Homecoming to decorate their locker area with brightly colored streamers and balloons. They constructed the winning float of pastel colors and a rainbow to carry out the "Over the Rainbow" theme.

Sophomores who excel academically and who show leadership qualities can become members of National Honor Society. Sophomores can explore new fields of interest as more opportunities to expand their curiosities are available to them in class scheduling.

Sophomore class officers: Dawn Hoffman, secretary; Rich Hanley, president; Sue Strong, treasurer; and Ricky Reeves, vice-president.

JUNIORS

Present Prom

1979-80 was the last year that the Class of '81 had to tolerate the title "Underclassmen". The next year they would be the upperclassmen, the example-setters. So they made their junior year count. To start off the year, they sold \$5452.90 worth of magazines and records to help finance the 1980 Junior-Senior Prom. The prom committee was composed of junior student council members Martha Haring, Dawn Boezeman, Bruce Williamson, and Tucker Van Keppel; and Junior class officers Mitch VanKley, Matt Chapman, Kathy Boissy, and Janet Hoiseth. These people planned the prom and did the decorating. Also helping with the decorating were Mark Jones, Melvin VanKley, Tom Wallin, and Jay McCracken. Martha Haring was the chairperson of the prom committee.

At the Homecoming, the junior queen candidate Diane Duttlinger was escorted by Matt Chapman. Much work went into the float which bore the theme "Go For It". Unfortunately, the float didn't make it onto the field due to some mechanical difficulties.

Junior class officers: Kathy Boissy, treasurer; Janet Hoiseth, secretary; Matthew Chapman, vice president; Mitch Van Kley, president.

Teachers Trod The Boards At Arts Festival

"A Show to Remember" was written by Mrs. Doris Myers for the Kankakee Valley School Corporation faculty and was presented during the first night of the Kankakee Valley Arts Festival.

The story of the presentation was as follows:

A nation-wide talent search has been held in various sections of the mid-west. Winners are to perform in the television studio for a nation-wide broadcast. A live audience is present to view the show. But the bus carrying the performers has broken down in a remote section of Jasper County, IN. Because the producer of the show insists the show must go on, talent is recruited off the streets. These people perform in Act I. In Act II, the bus finally arrives carrying the talent winners and they perform for the audience.

The Kougar Pride

The **KOUGAR PRIDE** is the result of the work of a very few special people who spent numberless hours after school and on Saturdays putting together a book which we feel recalls the past year. We hope you will enjoy looking back at the people and the events which made this school year an important one for all of us. Use the book as a history book and a memory book, a book to re-live those events and friendships which affected our lives during those all-important days of a very special year.

Thanks to Bob Henning, our representative from Josten's, whose professionalism and interest in our book and our school is without question.

And thanks to the many students who helped the staff by doing much of the indexing and ad layouts.

Top: Cindy McKinney, a senior, was this year's editor. Her experience consisted of four years on the high school staff and two on the junior high staff. LEFT: The Josten's representative, Mr. Bob Henning, during his presentation of a workshop for middle school and high school students, makes a point on how to choose pictures.

THE 1979-80 KUGAR PRIDE STAFF: Gretchen Mason, Heidi Mason, Kathy VanSoest across the top; Cara McKinney, Jennifer Riggle, Joy Pruis in the middle; and Cindy McKinney and Mrs. Betty Brown at bottom. Below: Mrs. Brown shows one of the junior high students how to use the cropper during the workshop presented by Mr. Henning and the Josten's/American Company. Bottom: Five of the hard working staffers — Joy, Heidi, Cara, Gretchen and Jennifer. Joy was a freshman, Heidi and Cara were Juniors, Gretchen, a sophomore, and Jennifer, a senior.

RIGHT: Thom Morin, junior, talks out some Algebra II problems with Mr. Taylo. **BELOW:** Sophomore Susan Angilts listens intently to make sure that she has all the instructions before she begins to type. **BOTTOM:** Using every minute wisely is important in typing class as Juniors Sherry Woudema and Sherry Pardus and sophomore Gloria Simpson realize.

MATHEMATICS AND BUSINESS

The business department was expanded this year to include the new Intensive Office Lab (IOL). This daily two-hour business training program was supervised by Mrs. Dee Fritch, head of the business department. All seniors majoring in business were eligible for the program. Requirements for IOL included a completed application form, completion of seven quarters of typing by the end of the students' senior year, four quarters of shorthand (for secretarial students) and enrollment in a fifth, a course in transcription, duplicating, and filing, one quarter in Office Procedures, and membership in the Office Education Association. Each student was also required to schedule an interview with Mrs. Fritch after submitting the completed application form.

As always, the math department held many new discoveries for students. The freshmen, under the instruction of Mr. Norman Abbring, math department head, Mr. Gene Miller, Mr. Dennis Johnson, and Mr. Robert Taylo uncovered quadratic equations. Mr. Abbring and Mr. Johnson introduced the sophomores to Pythagoras. Parabolas occupied much of the juniors' time in Algebra II, taught by Mr. Taylo. Fifteen of the seniors, with the help of Mr. Johnson, learned all about circular trigonometric functions.

RIGHT: Sophomore Daryl Scully relaxes after completing his worksheet in Mr. Walden's class. LEFT: Winners in the semi-state OEA contest were Julie Grube, junior; Cherrie Knight, senior; Nancy Moberg, senior; Marla Pierce, junior; and Ellen Conley, senior. Twelve quarter hours of English are needed for KV graduation with the only required ones at the freshman and sophomore levels.

The many offerings in the department allowed students to pursue individual interests in subject matter as well as in reading level.

Mrs. Veral Hanger was department chairperson. Others in the teaching area were Miss Nora Glenn, Mrs. Molly Gregory, Mrs. Betty Brown, Mrs. Sally Wiseman, Mr. Tom Wortman, and Mr. Tim Albert.

Left: Linda Gouwans, Abby, and Cherri Green present their ad campaign in speech class. Abby is 1½ years old, weighs 250 pounds and thoroughly enjoyed serving as a visual aid for the demonstration.

SOCIAL STUDIES & LANGUAGES

Foreign Language

K.V. offered two foreign languages to the students in grades nine through twelve, Spanish taught by Mrs. Wiseman, and German taught by Mr. Wortman. Both languages also had clubs so that students taking foreign language classes learned more about the culture and people of the countries they were studying. They learned both written and verbal phrases and words.

There was an Independent Spanish class for the third and fourth years and German was offered all four years. Foreign language students read novels written in the language, listened to tapes, and translated stories.

Social Studies

New books! Social Studies classes finally got their long-awaited and much needed books. No more notes on WW II and presidents, for the new books were full of information and colorful pictures.

Memorizing both the Amendments and Preamble to the Constitution were some of the many things history students learned. There were three quarters of Bible history taught by Mr. Sakel. Speakers came for the Career and Government classes.

Careers was a new class open to freshman students. Taught by Miss Robinson, it gave the students an opportunity to look at their skills, abilities, and interests, and to view themselves in each of these qualities.

Four quarters each of both government and U.S. history were required of K.V. students. There was a wide range of history classes to choose from, and most students had no problems in meeting their requirements.

Home Economics classes this year added new ideas and experiences to the students' schedule. They had a wide range of courses to choose from. Timewise, these classes kept the students busy, yet they were a fun and interesting way to learn different aspects of school besides the basics in academics.

Students found they must take two certain classes, Consumer Living and Interpersonal Relationships I and II, in order to major in Home Economics.

In other classes such as Child Development, students learned how to accept the responsibility of caring for younger children. They also learned about the birth of a child and the days and months leading up to it.

Needlecraft classes had students working on their 'big projects' along with many other smaller items such as pillows, embroidery,

crochet, needlepoint, and patchwork.

Entertaining class was a completely new experience for some students. They were taught proper etiquette, cake decorating, and how to plan and give parties. Students in Problem Foods found ways to solve difficulties they had with certain foods. Globe Trotting had students preparing and eating foreign foods.

Students who had never sewn before and students who had experience in sewing were offered classes according to their knowledge. There was a beginning sewing class where the students made simple skirts and blouses, and the more advanced classes in which they tailored suits and sewed fine lingerie.

During the Art Festival held at the school, sewing students were able to exhibit their handiwork and sewing articles.

VOCATIONAL ARTS

The agricultural and industrial arts departments required much time and energy from students who enrolled in the programs.

In agricultural classes, students were required to have a farming project. They must keep careful records on this project and they were also encouraged to keep up their farming interests by joining the Future Farmers of America.

Before starting to work on woods projects, students must pass a safety test with 90% or better accuracy. A foundation for building a housing project has been laid but for now, only scale models are used. Woods projects range from bookcases to stereo housing units. Building and caring for furniture is taught in Furniture Construction and Furniture Finishing.

Molding pieces of metal and shaping them into useful and decorative designs was taught as part of the Metals class. Students also learned how to wisely use the equipment.

Repairing of cars was a popular class and students learned how to properly care for their own vehicles both under the hood and on the outside. Powder Puff Mechanics was a class designed to give this experience to girls.

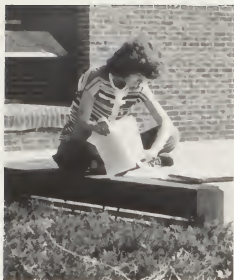

Mr. J.D. Foster was head of the Vocational Agricultural department. Mr. Ron Hine headed the Industrial Arts department. Mr. Dave Bruzek and Mr. Charles Bernhardt were other Industrial Arts teachers.

ART

Various courses were offered in art. Students could put their talents to work at drawing, sketching, painting, sculpturing, pottering, and in many other artistic areas. They learned how to mix and match colors, to weave baskets, and glaze pottery. Mrs. Doris Myers and Mrs. Sarah Miller taught these classes. Mrs. Miller taught photography as well. Miss Debi Hedges taught many of the weaving and basketry courses.

The Arts Festival given at the end of the school year allowed the students to show their drawings, paintings, and other work for the public's benefit. Students gave demonstrations on the wheel and in macramé and sculpturing during the three evenings of the Festival. Many students were fortunate enough to sell their work.

PHYSICAL EDUCATION

Physical education was slightly different the 1979-80 school year than in the past. Freshmen took general classes all four quarters which were named P.E., I, II, III, IV. These classes included all the different areas of physical education.

Swimming was a new class, mainly because this was the first year K.V. had a swimming pool. Students not only learned the basics of swimming, but the more advanced students learned life-saving skills.

Tennis was also enjoyed more this year. Before, the P.E. classes had to set up the nets in the front drive, but with the four new courts, it made playing more enjoyable.

Students in some of the classes went on bowling field trips. Other students had projects to do, and others did reports.

P.E. was taught by Miss Flynn and Mr. Gross. Swimming and life-saving was taught by Mr. Sanders with various teachers helping with the overload of some of the swim classes.

SCIENCE

Six quarter credits of science and two of health are needed to graduate from KVHS. The classes offered ranged from the study of the smallest living organisms to that of the human anatomy. Freshmen were required to take science classes and sophomores, juniors, and seniors must take Drug Abuse, a health class. In this class, students learn about the harmful drugs and what they can do to the body.

Mr. David Bonham was head of the Health and Physical Education Department. Mr. Tom Risinger was head of the Science Department. Other science teachers were Mr. Steven Maple, Miss Sara Patterson, Mrs. Sue Waggoner, and Mr. Tim Plomaritis.

The Sunshine Society officers for the school year were senior Pam McKenzie, President; junior J.J. Hershman, v-President; senior Kathleen Grube, Treasurer; senior Elizabeth Hetrick, Corresponding Secretary; and senior Cindy McKinney, Recording Secretary.

Ms. Smith was honored at the Ideal Lady Tea with a bouquet of roses. She is retiring as sponsor of the club after four years. Next year's sponsors will be Mrs. Maureen Melton and Miss Sarah Patterson.

See pages 131-132 for more coverage of this active group.

Active And Busy

The Future Farmers of America (FFA) was very active during the year which is not only a nine month school year but the summer months as well.

The FFA, sponsored by Mr. J.D. Foster, completed 120 activities for the year. Some of these were a turkey shoot, a slave auction and chicken barbeque, calender sales sponsored by Fieldhouse Ford, the FFA Sweet-heart crowning and dance, the senior feed tour to the St. Louis area, a parent/student banquet, the state FFA convention, state leadership camp at which many members did well, a day at the county fair, a day at Indiana Beach, a trip to a White Sox game, and bowling, swimming and roller skating parties.

Officers were Mike Pruitt, President; John Swart, vice-President; Brad Mak, Reporter; Melvin Van-Kley, Sentinei; Karia Hetrick, Treasurer; and Nick Misch, Secretary. There were ten major committees which set up and budgeted the year's activities.

VARSITY AND JV FOOTBALL

Varsity Kougars Have 2-8 Season

The KV football season had its ups and downs as the first three outings saw the Kougars outscore their opponents 49-6. However, the lopsidedness ended in the Knox game when flu and a rash of injuries beset the KV gridgers. From this point, the competition seemed to get more fierce and the injuries worse. Three of the next seven games were lost by a total of four points.

All in all, the Kougars finished with a 2-8 season and JV a 4-3-1, but both had some very positive and memorable moments. Many of the young players received a great deal of experience due to the injuries which plagued the older members most of the year. As a result of many of the young people playing, the near future seems to be a bright one for KV varsity and JV football.

At the end of the season, Jim Jenkins was honored at the sports banquet by being selected for All-Conference for his punting average of 39 yards. Gary Shirkey won Most Valuable Defensive Lineman, while Jeff Green won Most Valuable Offensive Lineman. Bryan Leturgez was selected Most Valuable Offensive Back by setting a new school rushing record of over 800 yards. Scott Helton received the Most Valuable Defensive Back award and the Most Valuable Player-Mental Attitude award. Doug McKinley was selected as team captain for the year. Scott Jungels received the JV Best Back award and Larry Rudis won the award for JV Best Lineman.

FRESHMAN FOOTBALL

4-1 Season Record

3-0 In N.W.H.C.

Mr. Gary DeHaven, freshman football coach, attributed most of his team's success to the fact that they were a very close team that worked hard both on and off the field. This was proven by the fact that the freshman team had a 4-1 season record and were 3-0 in their conference games. Not only did the freshmen win all but one of their regular season games, they also won the South Newton Turkey Tournney. Mr. DeHaven also felt that these freshman players would be an important part of next year's JV team, not only because they enjoyed working together, but because of their positive attitudes.

This was Mr. DeHaven's first year at KV, and as the freshman football coach he had a successful season. Awards were given to only three players: Mark Wireman won Best Offensive Back, Bill Eenhuistra was selected as Best Lineman, and Devin Mudd led the team in tackles.

CROSS COUNTRY

Distance Runners 17-1 In Dual Meets

The cross country distance runners compiled an impressive record for Coach Tom Risinger who retired at the end of the season after six years as head coach.

Six runners will be lost through graduation. Risinger made the following comments on each:

- Mize improved most from the time he started running to the time of graduation;
- Wallace was as dedicated a distance runner as he has ever coached;
- Barker, even with his foot problems, was a strong performer who found the 2½ mile course too short;
- Zylstra was the work horse who got lots done on guts;
- Hirsch was another dedicated runner who never reached his full potential;
- Ber, who was out for two years, was a good kid to have run.

Next year's team, according to Mr. Risinger, will be a very young one but four of the returnees will have had a good season under their belts. He added that the key to the team will be the dedication and ability of the incoming freshmen.

VARSITY VOLLEYBALL

New Coach — D. Flynn

The 1980 varsity volleyball team, coached by Miss Debbie Flynn in her first year at KVHS, consisted mostly of seniors. However, the outlook for next year is bright because of the many strong undergraduate players and those who will be moving up from the junior varsity ranks.

The statistics showed the following: Kathy Oils had the highest setting percentage; Michelle Leturgez had the highest spiking and most kills as well as earning the award for Most Improved Player; Mary Duttlinger had the highest serve reception percentage, and won the Most Valuable Player award. Diane Wisz had the

most ace serves, most outstanding plays and won the Ace Serve award. The most dinks percentage went to Patti Capouch. Two girls, Leturgez and Duttlinger, tied for the most dropped balls.

Since the girls didn't have cheerleaders, they invented their own cheer:

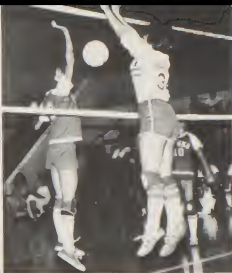

Serve the ball, Bump the ball,
Set the ball, SPIKE IT!
We don't care what you say,
But keep it up —
We like it!

SWIMMING

Co-ed Team In First Season

The 1979-80 school year was the first year for the pool to be opened and it was also the first year for the swim team to be in competition.

Coach Rod Sanders started the year with about 80 swimmers but only twenty completed the season. Those who did stick with the grueling work and time-consuming sport did a good job according to Sanders.

Sanders expects to start a middle school team next year and this will help the high school team during the next few years. He said it takes three to five years to build a good team and he expects to have them in the Conference next year or shortly thereafter.

This year's team was co-ed and swam during one season only. There will be nearly twenty returning next season, including Bret Root, the junior diver who placed fifth in the Crown Point sectional and was undefeated all year in dual meets.

VARSITY BASKETBALL

22-2 Season!

Number 1 In N.W.H.C.

The 1979-80 varsity basketball season story was one of success. The Kougars beat long-standing rival Rensselaer for the Turkey Tourney title to start a winning streak that would last for the next 17 games. Another high-point of the season was beating Merrillville, the school that had beaten the Kougars badly the last two seasons.

On and on the Kougar team went, victory after victory, until finally the AP poll began to take a second look. Soon the Kougars were rated number 17 in the state. From there they gradually moved up to 13th position before being beaten by Michigan City Rogers by three points. This was the only Kougar defeat during seasonal play.

Crowds grew larger, newspaper coverage greater, and school spirit stronger as everyone began to follow the saga of the triumphant Kougars. A new expression became common in the newspapers' description of the crowds: the sixth man. Much emphasis was placed on this sixth man and victories were even attributed to its help and support.

Sectional time came along and the Kougars had another chance to show the Rensselaer Bombers who was boss this season as the Kougars had also beaten them during regular season play. As predicted, the Kougars beat both Rensselaer and Kouts to compete in the championship game with Lowell. The winning streak continued and the Kougars downed the Red Devils 68-40.

This made Kankakee Valley the sectional winners for two years in a row and also put them in the position to play Lafayette Jefferson in the first game of the regional.

The winning streak was not to be continued any longer as the Kougars were beaten by a strong Jeff team 49-60.

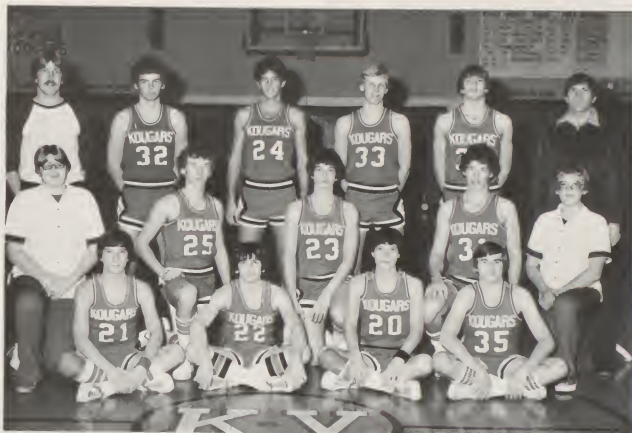

But one thing remained: a saying used often by the fans at KV games, a saying that sums up the entire season. "We're proud of our team, yes we're proud of our team."

GIRLS' JV BASKETBALL

Team Stats Show Much Potential

The 12-1 season for the 1979-80 junior Varsity basketball squad was no surprise to coach Debbie Flynn since last year's team had compiled almost as good a record at 11-2.

The seasonal stats showed some outstanding work by the young squad. Sherry Toppen, a freshman, had the best free throw percentage of 51.6 and total points at 84, beating out Karen Zylstra for points who had 83. Zylstra, also a freshman, had the most offensive rebounds at 39 and best offense at 129. Cecl Van-Meerten had the most assists at 8. Shannon Heerema, a sophomore forward, had the most defensive rebounds at 34 and defense of 41. Nicki Capouch had 31 steals during the season.

Flynn said the girls played well together and had much potential as a team. She was able to switch the girls from position to position as most could play in multiple areas. This will be an asset for next year when many of the girls will move up to varsity level.

VARSITY BASEBALL

The Kougar baseball season was one marked by strong winds, rain-outs, and soggy playing fields. Games often had to be called because of darkness. By May 29, Coach Gary DeHaven's varsity team stood at 8-13-1.

The varsity pitching staff included senior Don Watt, junior Mark Chapman, sophomores Ron Call, Mike Sytsma, and Doug Conley.

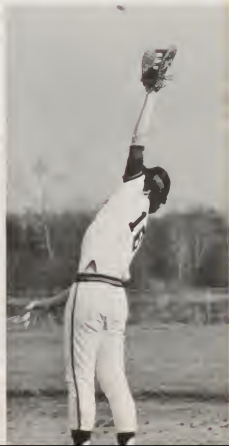

Middle school math teacher Bill Orsburn was coach of the junior varsity squad.

WRESTLING

Matmen Have 9-4 Season

With the loss of only three seniors from this year's team and with the four best record holders from the past season returning, Coach Walt Prochno's outlook for an even better season for the 1980-81 school year is promising.

The three seniors are Greg Ber, Tim Prohl, and Steve Kearney. The four best record holders from this season were Mudd (22-4); Reeves (15-3); Williamson (15-6); L'Hulliller (12-4). Mudd will be a sophomore, Reeves, a junior, and L'Hulliller and Williamson will be seniors. With this group of seasoned veterans as well as the other strong competitors from the team, Prochno looks to win the conference as well as the sectional.

This year's sectional produced eight champions — Mudd, Reeves, Williamson, Hirsch, Ber, Shirkey, Morales, and Leturgez.

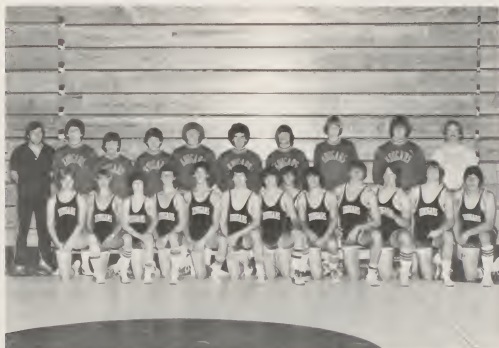

Many of the matmen will be continuing with wrestling throughout the summer months as well as attending wrestling camps.

BOYS' TRACK

Wallace, Leturgez To State

The track team lost only three meets, sent two runners to state, three to the regional, placed third in the conference and fourth in the sectional.

Senior Jeff Wallace was sixth in the state in the mile with a time of 4:17.90. He was conference and regional champ in the mile, was second in the 800 at the sectional, and fifth in the regional. He earned the Most Valuable Runner award.

Junior Bryan Leturgez placed third in the state in the 400. He was conference champ in the 100, 200, 400, and the 300 low hurdles. He was sectional champ in the 300 low and the 400, and was runner-up in the regional in the 400. He received the Most Points award.

Junior Thomas Morin was third in the conference and sectional in the 110 high hurdles. He tied the school record in this event and qualified for the regional.

Dan Grubb received the Mental Attitude award and Carson Huff earned the Most Improved Player award.

Coaches were Rod Sanders, Greg Oliver, and Tim Albert.

Although five seniors will be lost to the team, the coaches expect the new members to add balance and depth. The team should have at least one state champ and one state qualifier next year, according to Coach Greg Oliver.

GIRLS' TRACK

Zylstra Goes To Regional

The 1980 girls' track team had a successful season, sending nine girls to the Portage sectional and one to the regional at Lafayette.

Coach Debbie Flynn was pleased with the showing of the girls at the sectional. The 800 meter medley relay squad was composed of Mary Duttlinger, Terri Beckman, Teri Andree, Karen Zylstra, and alternate Shannon Heerema. Kayleen Nannenga competed in the 200 meter dash, Ellen Obara in the high jump and 1600 meter run, Bonnie Wright and Doreen Heerema in the discus and Mary Duttlinger in the long jump. The only member to qualify for the regional was Karen Zylstra who placed sixth with a time of 5:36.7 in the 1600 at Lafayette.

Four seniors will be lost to the team but Coach Flynn expects an even better turnout of girls for next year. Many of these will be freshmen whose Middle School team had an undefeated season.

Kayleen Nannenga received the Most Improved award at the Spring Sports banquet. Also honored with major awards were Shannon Heerema who received the Mental Attitude award, and Karen Zylstra who earned both the Most Valuable and Most Points awards.

Golfers Lower Averages

Wallin Wins Most Valuable Award

The 1980 Golf team lowered its individual player average six strokes and the team score per match dropped one stroke from last year, according to fourth year coach Leo Hummel.

The coach and five team members spent the week of spring break in South Carolina to get in a week of golfing in good weather before they took on the seasonal competition.

The outlook for next year is good since no seniors were lost to this year's team. Most of the boys, according to Hummel, will be strong contenders if they continue to play and improve during the summer months.

Most Valuable Player was Tom Wallin whose season average was 43.83. He had two rounds under 40 as well as 60 pars and 7 birdies. Mark Rayonec was the Most Improved Player, lowering his season average 3.26 strokes from last year.

GIRLS' BASKETBALL

Van Kley, Capouch Senior Co-Captains

A team that is always ready to play and one that is outstanding in many areas is the way Coach Ron Hine characterizes his active group of stand-out players.

"They are a super bunch of bright kids and are always ready to play," he said. The grade point average of the top ten girls was 3.4(B+) for the year.

Hine, who was named NWHC Coach of the Year, expects a good team next season as well. It will still be a relatively young team with lots of experience, according to Hine. Only two seniors will be lost to the team and Hine feels that if one or more good scorers can take their places, the team will again have a successful season.

Senior Lori Van Kley was the leading scorer and rebounder for the past two years. Senior Patti Capouch was the outside shooting threat and kept the team enthused with her leadership. The two girls served as co-captains.

Van Kley received the awards for Most Rebounds, Best Free Throw Percentage, Best Field Goal Percentage, and Best Offensive Player. Michelle Leturgez received the award for Best Defensive Player.

JV BASKETBALL

17-3 In Dual Meets

6-1 In NWHC

Winners — Bi-County Tourney

The JV basketball team posted a 17-3 seasonal record, improving on last year's record of 14-6. They were champions of the Christmas tourney at South Newton (to be hosted by KVHS in 1981) tied the school record for the most wins, and were 6-1 in the NWHC.

Several players also dressed and played occasionally at the varsity level. Even if these young men play full time on next year's varsity squad, Coach Bob Gross still sees his team making much improvement.

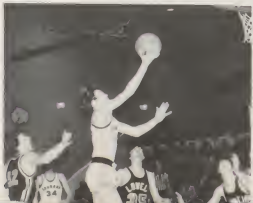

The playing experience gained will certainly benefit the team according to Gross, who is in his 2nd year as JV coach. The team will have lots of height and be quicker overall, he says.

At the Winter Sports banquet, Thom Morin received the Best Field Goal Percentage award. Aaron Helms earned the award for Best Free Throw Average, Brian Jonkman for Most Rebounds, and Jim Terborg for Most Assists. Jonkman and Terborg served as team captains for the season.

Minor awards were given to Ron Call, Mike DeFries, Dave Dexter, Aaron Helms, Brian Jonkman, Phil Kingma, Hank Mann, Jim Terborg, and Mark Van Soest.

South Newton Freshman Tourney Winners

THE 1979-80 FRESHMAN BASKETBALL TEAM: Front — Betty Ables, Jeff Cavinder, Vincent Page, Rick Parker, Rick DeFries, Todd McEwan, Dee Nannenga; back — Coach Metzger, Dave VanVuren, David Heerema, Roger Polsel, Greg Jones, John Baldwin, Scott Ganzeveld, Linda Til-

lema. Missing is Jamie Robinson. Top: Rick Parker goes up for 2. Left: Vincent Page goes over the head of his opponent. Below: Polsel, left, and Dave VanVuren outjump the opposition.

The freshman basketball team, coached by Dennis Metzger, had a 13-4 season and were 4-1 in the conference. The team also won the freshman tourney at South Newton. This tourney win was considered the highlight of a successful season by Metzger.

The team, according to Metzger, often gave their best performances during the second half of the games, many times building their leads in the third quarter playing periods.

The lone loss to South Newton in the second half of the season was avenged when the young Kougars defeated them in the championship game of the South Newton tourney.

Minor awards were presented to all the players as well as to the three managers at the Awards banquet.

VOLLEYBALL

JV Freshman Experience Tough Season

The Junior Varsity Volleyball team had a good year in 1979-80, winning 12 and losing only 6.

JV Head Coach Bill Koslovsky, along with Varsity Head Coach Debbie Flynn, helped the girls with bumps, sets, spikes, dinks, and serves.

Statistics showed that Nicki Capouch had the best setting and spiking percentage. Kathy Van Soest had the best serve reception percentage, while Denise Marshall had the best serving percentage. At the Awards ceremony Denise also received the ACE Server Award for 41 ace serves, Kelli Hunter had the most kills, and Mary Longstreth had the largest number of outstanding plays. Having the most dinks was Tammy Anderson. Nicki Capouch and Cheryl DeVries tied for the most dropped balls, the most unwanted category, each having 6.

Members of the Junior Varsity squad were Tammy Anderson, Nicki Capouch, Kelli Hunter, Debbie

Kingma, Mary Longstreth, Denise Marshall, Jennifer Page, Dawn Seegers, Cecil VanMeerton, Kathy Van Soest, Michelle Leturgez, Marla Pierce, and Cheryl DeVries.

The Freshman Volleyball squad was coached by Miss Nancy Butler. Members of the team were Lisa Lackovitch, Lori Hart, Rhonda Hoover, Sherri Minnick, Sherry Toppen, Janine Spurgeon, Kathy Willbourne, Arlene Dickson, Chantal Marceau, Sheryl Longstreth, Michelle Gustlin, Terri Andree, and Dawn Beck.

SPORTS AWARDS

Athletes Honored As Seasons End

KVHS athletes are honored three times each year at the close of the fall, winter, and spring sports seasons. These affairs are usually preceded by carry-in dinners, providing an hour of food and fellowship for the athletes, their parents and fans prior to the ceremonies.

Many of the individual awards are listed with the specific sport. Pictured here are a few of the fall and spring highlights.

Top: Tables were always filled with delicious foods at the banquets. Middle: Varsity football awards went to David Yeoman, Jim Sherman, Jeff Green, Kevin Cavinder, Don Watt, Mike Molon, Scott Helton, and Doug McKinley. Above: Dawn Seegers, Mr. Albert, Jennifer Page, and Debbie Kingma. The girls received JV volleyball awards. Right: Varsity volleyball awards went to Michelle Leturgez, Mechele Manns, Kim Schultz, Mary Duttlinger, Diane DeKock, Kathy Oils.

Fall — Football, Cross Country, Volleyball
Winter — Basketball, Swimming, Wrestling
Spring — Golf, Track, Baseball

Top: Coaches Miss Flynn and Mr. Koslovsky made the volleyball presentations. Lori Van Kley is in center. Middle: JV volleyball winners Lori Hart, Lisa Lackovitch, Sherry Toppen, and Sheryl Longstreth. Left: JV football awards are made by Coach Metzger to Jim Jenkins, Troy Jabaay, Scott Jungels, Tucker Van Keppel, and Jeff Schultz. A Kankakee Valley Christmas Carol

The lights dimmed, the crowded auditorium stilled, and the curtains parted to reveal the cast and setting of "Scrooge", this year's presentation by the choral department. The double-cast play was performed on the two evenings of December 13 and 14.

Top: Jim Gray as Scrooge shivers in bed as the three ghosts of Christmas Past, Present, and Future surround him. The ghosts are Sherry Revercomb, Dana Hogle, and Karen Corbin. Above: Old Fezziwig, played by John Swart, begins another day's work in the counting house. Top Right: A few of Scrooge's young workers relax at their desks. They are Darin McGuire, Jeff Cavinder, and Jamie Robinson. Right: Polly, played by Jodi Kruizenga, and Fred, played by Joel Kulper, strike a family pose.

The audience watched appreciably as the characters from Charles Dickens' beloved "A Christmas Carol" came to life on the stage, relating the delightful story of a selfish old man whose encounter with three spirits on Christmas Eve changes his life.

Above: A group of Christmas spirits: Jacquie Dyblo, Sue Gaillard, Lois Kampenga, Lynn Scott, and in front, Beth Bewick and Kelli Hunter. Far Left: In a happier moment, Scrooge, played by Kevin Hershman, tips his hat to a passer-by. Left: The director, Mr. Don Wharton, and the student director, Kerry McGuire, relax after opening night.

YOU'RE DOING FINE . . .

After weeks of cramming and jamming in rehearsal time, Kankakee Valley's first orchestra-accompanied musical, "Oklahoma!" became a success on stage. The double cast performed three nights, April 17-19, to the delight of the audiences who attended each night.

Junior-Senior Prom Theme "Precious And Few"

"Precious and Few" was the theme for the May 3 prom planned and presented by the juniors to honor senior class members.

Decorated in a kaleidoscope of pastel colors of yellow, pink, and blue, the soft spring-time motif was enhanced by a colorful rainbow in the same hues. A golden, spinning mirror ball reflected and glowed on the dancing couples.

Haz, a seven piece band from the Elkhart area, played popular rock music as well as soft music designed for both dancing and listening.

The highlight of the evening was the Grand March in which all guests participated. Following the March, the king and queen candidates were introduced.

Queen candidates, nominated by the boys of the senior class, were Kathleen Grube, Kerry McGuire, Terri Sanders, and Andrea Frazier. King candidates, nominated by the girls of the senior class, were Don Hirsch, Scott Helton, Doug McKinley, and Jeff Green. Kerry McGuire and Scott Helton reigned as the royal couple.

Mrs. Betty Brown, junior class advisor, was assisted by Martha Haring, who served as chairperson for the class. Others on the committees were junior class officers and student council members. Mr. Charles Bernhardt was instrumental in turning the gym into a beautifully decorated area, and Miss Debi Hedges assisted Mrs. Brown.

Senior class officers and king and queen candidates parade around the dance floor during the Grand March. In front are Sheila Risner and Pete Bahnerth, Kathleen Grube and Don Hirsch, Terri Sanders and Jeff Green, and Andrea Frazier and Dave Howard. Below: Queen Kerry McGuire is crowned by Superintendent Scamihorn. King Scott Helton receives a trophy and a kiss from Martha Haring, junior class Student Council member.

Socializing around the champagne fountain are juniors Jim Manley and Kathy Bolssy, and senior Carrie Hittle.

The newly-crowned king and queen dance to "Precious and Few" played and sung by Haz.

Relaxing between sets are Debbie Condes and Steve Liebke, Tara Hunter and Kevin Taylor, and Cindy McDaniel and date. Left: Mrs. Betty Brown, junior class advisor, guides the guests through the Grand March as the Haz lead singer watches. Above: Martha Haring, chairperson for the prom, leads the Grand March with her date, senior Craig Cavinder.

Kankakee Valley Spring Arts Festival

3 Evenings Of Food, Fun, Demonstrations, Music

The arts include many areas and most of them could be seen or heard during the three gala evenings of the Spring Arts Festival.

The music department provided two evenings of entertainment through instrument and voice. The choral department, directed by Mr. Don Wharton, showed its versatility as a group and individually during Friday evening's performance. The Middle School and High School Concert bands were on stage Saturday evening. It was at this year-end final performance that KVHS Principal Leturgez announced the high school band had been invited to appear at a music festival in Austria in July of 1981.

Faculty members of the KV School Corporation presented "A Show to Remember" on opening night. The show was well-received by the audience and proceeds from the admission costs were used to provide a scholarship for a senior entering the field of education. Cindy McKinney, who will be studying special education at University of Evansville this fall, was the recipient of the scholarship.

Foods of all kinds and varieties were available to fit almost every taste. The Spanish Club served tacos with all the trimmings from their stand, while the German Club booth featured German potato soup. Desserts of pies, cakes, cookies, ice cream, and other specialties could be purchased at the Art Club's gaily decorated stand. The Lettermen Club provided drinks, and the OEA had candy for sale.

Strolling mimes presented mini-dramas throughout the evenings. Also on hand were jousters whose duels entertained and delighted the audiences.

The gym was filled with hundreds of displays of student work done throughout the year in many of the arts. Students also did demonstrations in different art areas to the enjoyment of the crowd.

A fashion show featuring summer's newest styles and fabrics was given in the pool area. Fashions were from My Lady's Shop and featured student models.

The pool area was also used for swimming demonstrations as students showed the audience techniques used in life-savings.

Sunshine Brightens Every Corner

Sunshine Society had many and varied activities throughout the year, most of them involving service and communication with others.

Among these activities was the Ideal Lady Tea, a time to honor the women the girls had each chosen individually as their ideal person. Daddy Date Night gave the girls a night out with their fathers while a Mother/Daughter night provided an evening of fellowship with their mothers. Desserts were served for the fathers and salads for the mothers.

About 70 Senior Citizens attended the ice cream social given by the girls in the high school cafeteria. The group played bingo and other games as well as enjoying ice cream and toppings.

Throughout the year, the group planned activities to brighten the day for the teachers. A complete breakfast was served prior to the beginning of the school day, and there was often coffee, doughnuts, and rolls available in the teachers' lounges. Bright red geraniums were given to each teacher for Mother's Day.

The girls also had time to enjoy themselves — they had a formal dance with music by Staggerwing, and they had a Halloween party, dressing in spooky costumes and viewing "Love at First Bite".

Kathleen Grube attended a Youth Power Conference in Indianapolis and then went on to competition in Missouri where she won a scholarship. Beverly Hetrick was elected recording secretary for the state of Indiana.

The girls hosted the district convention and about 500 girls from other societies attended the day-long event.

What's A School For Anyway?

Well, A School Is For —
performing in front of a crowd:

being with friends or in a group:

And A School Is For being an athlete without pressure to win:

entertainers who relieve a hectic study schedule:

A School Is For

acquiring new skills:

beautifying the surroundings:

And yes, A School Is For Study, Books, And Learning

so that the final purpose of a school can be realized:

**to graduate the young
people who will be the
intelligent leaders
of tomorrow.**

Students Honored At Convocation

The close of a successful school year was marked by awards given to undergraduates for outstanding scholastic achievement.

During the May 23rd convocation attended by all undergraduates, more than 175 awards in all academic areas were presented by staff members.

Kougars Win Sectional

"We're number one, we're number one!" shouted the enthusiastic Kankakee Valley fans as their Kougars scored impressive victories over Rensselaer (74-52), Kouts (64-26), and Lowell (68-40) to become the 1980 Sectional champions.

Spirit was high throughout the week of the games. Students participated in special days and let themselves be heard at the pep sessions. They jammed the gymnasium on the three nights of the sectional, loudly proclaiming they were from Kougar Country and proud of it. Their team didn't let them down as it stormed over its opponents, winning handily all three evenings.

At closing ceremonies, Principal Leturgez's announcement that there would be no school on Monday met with complete approval. A well-attended community pep session was held in honor of the sectional champs on Monday at nine and then students and faculty were free for the day.

We're Number 1!

State Champs In Special Olympics

"We're number one! We're number one!" shouted the enthusiastic players and fans as Kankakee Valley's Special Olympic basketball team won the STATE championship for the second straight year.

The team, playing in the 21 and under Class A division, won the Northwest District Championship at South Bend's Notre Dame campus and went on to take the state title at Indiana State's Terre Haute campus. They defeated Chrysler High School of New Castle 46-16 and Eastwood School of Indianapolis 41-24 in the single elimination play to become the state champs.

Mr. Greg Oliver, in his third year as coach of the team, praised his players for the total team effort shown throughout the year. The 1980-81 season will be a rebuilding one for the team as five of this year's nine members will be lost through graduation.

The 1980-81 season may also see the first girls' team entered from Kankakee Valley as much interest in forming such a team was shown by the female athletes.

Oliver is in his 4th year of teaching students with special needs at Kankakee Valley. His coaching record is 16-4. He is on the 1980 State Governing Commission for Special Olympics, a member of Jasper County Association for Retarded Citizens, and actively involved with Area I Special Olympics.

Freshmen Win; Earn Free Picnic Day

Frisbee Golf was one of the popular events for Field Day competition. At top left, seniors Ann Bubalo, Rosemary DeKock, and Greg Brown practice for their match. At right are sophomores Bill Biting, Chris Kingma, and Chris Bodney discussing their strategy. The sophomores were the winners of the class competition in this event. Above: With the warm May sun beaming down, students gathered to watch the events and enjoy being out-of-doors. The Field Day events were coordinated by Mr. Allen Myers.

To celebrate spring and conclude the 1979-80 Pride Contest, KVHS students and faculty had a warm, fun-filled afternoon on May 9.

Competition between the classes in the eight events was fierce since the winner would have a free day from school to picnic at Lake Holiday.

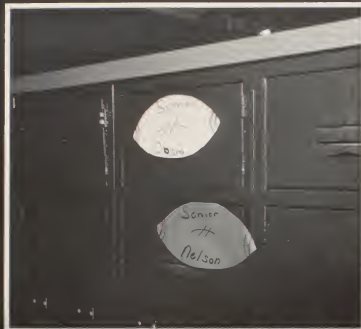

The Freshman class tied with the juniors in competition but the freshmen were so far ahead of the other classes in previous contests that there was little doubt as to who would earn the eagerly-awaited day off.

Field Day was not only an afternoon for classes to compete with each other; it was also an afternoon to work on the beginnings of a tan under the warm May sun; it was an afternoon to be free of the confinement of the classroom; and it was an afternoon for students and faculty to enjoy a fun time of activities together.

MAY 18, 1980

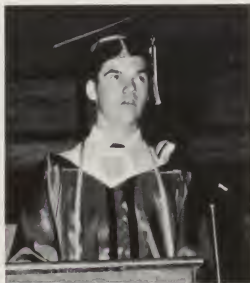

Graduation Day 1980 had finally arrived for the 188 seniors who had anxiously waited for 12 years. The anticipation started Friday morning when caps and gowns were distributed to the class and practice for the commencement ceremonies was conducted. Afterward a large group picture was taken of the class before the students departed their own ways to many varied activities. Some spent time with friends, some prepared for their Open Houses, some pressed caps and gowns, some entertained relatives from out of town, and some rested. That evening they were together again for the Awards presentation.

Sunday arrived and seniors had many different feelings about graduation. For all, it was a joyous occasion, but while some were completely happy to be 'out', others looked back on the good times and opportunities with sadness. Everyone, however, whether they had nostalgic feelings or happy, excited ones, realized the future lay before them and was theirs for the taking.

Although valedictorian Lori VanKley and salutatorian Lester Passuello both talked of world problems, they each said they had confidence in the class of 1980 helping to solve these problems.

Speakers at the Commencement exercises included Kathieen Grube, class president, Mary Duttlinger, Student Council president,

and Rev. Jack Boerigter who gave the baccalaureate address.

Outstanding Seniors Receive Awards

On the rainy evening of May 16, seniors of KVHS donned their bright red caps and gowns and marched into the gymnasium area where they would receive their diplomas on Sunday afternoon.

Tonight many of them would be honored for outstanding academic achievement and receive scholarships and awards. Staff members, community business leaders, and organizations presented the awards as parents, relatives, and friends watched the Class of 1980 making its next-to-final appearance in the school.

Pictured here is a brief look at a very few of the Super Seniors of 1980.

ADSADSADSADSADSADSADS

Traditionally, the majority of ads for the Kougar Pride are sold by members of the senior class during Ad Day each year. The Class of 1980 set a school record by selling nearly \$5000.00 worth of ads! The Kougar Pride staff thanks each senior for the effort made during this special day. But it is to our advertisers who freely give each year that we wish to express the most thanks. It is because of these businessmen and businesswomen in our communities that the cost of the book can be kept within the price range of every student at Kankakee Valley High School. We urge you to support them in return for the support they have given you.

Congratulations
from

Many new experiences confronted my staffers this year. First, for a few, this was their first year on the staff. For all others, it was again another year of adjustments. We had a new room and a new advisor, Mrs. Betty J. Brown, my third in three years.

But as the year progressed, the pieces fell together and the staff became a 'family'. Even though small in number, they were great in production! Therefore, my first thanks goes to them — Cara, assistant editor; Jenny, photography editor; Kathy, Heidi, and Gretchen, staffers.

Second, thanks goes to Mr. Bob Henning, our publishing consultant and representative, who spent many hours helping pull this book together and always getting us the best deals possible.

Without this group, the faculty and staff, my job would have been a great deal more tiresome and long. My thanks to all who helped so much, especially Mr. D. Johnson and Mr. L. Hummel who helped with

the photography. Also a big thanks to all the study hall students who helped with the tedious job of indexing.

Another thank you is due to Roots Photography for all their help in taking club pictures, team pictures and special events pictures.

Last, and certainly not least, I give all my thanks and appreciation to Mrs. Brown. Without this lady, this book would not be. She unselfishly gave up many hours and so much of herself to see that this book was as perfect as she could make it. She also put up with a lot of procrastination on all our parts, but especially mine. Even through all this she was always smiling and ready to give a little more. And so to you, Mrs. Brown, I dedicate this 1980 KOUGAR PRIDE with all my thanks and love.

Cindy McKinney
1980 editor
